

WHAT IS THE CHILDREN'S ADVOCACY CENTER OF HAMPSHIRE COUNTY (CAC)?

The CAC is a child-friendly house where a multidisciplinary team consisting of Department of Children and Families workers, police, prosecutors, victim advocates, and medical and mental health professionals meet to coordinate a response to allegations of child sexual and severe physical abuse.

The CAC fosters collaboration and communication amongst agencies, minimizes the number of times that children are interviewed, and provides a swift, sensitive, and coordinated response to victims of child abuse. The CAC provides outreach and education to mandated reporters and community members to prevent and end child abuse in our community.
