

CHILDREN'S ADVOCACY CENTER
of Hampshire County

*This Little Light of Mine
I'm going to let it shine
Oh, this little light of mine
I'm going to let it shine
This little light of mine
I'm going to let it shine
Let it shine, all the time, let it shine*

On April 6, 2023, to commemorate Child Abuse Awareness and Prevention Month, the Children's Advocacy Center of Hampshire County and Northwestern District Attorney David Sullivan invite you to participate in "This Little Light of Mine" a luminaria display at Childs Park in Northampton and throughout our community. 2400 luminarias will be lit to represent the number of child abuse survivors the Children's Advocacy Center has served in Hampshire County.

This past year the Children's Advocacy Center of Hampshire County provided more services to children than ever before in our twenty five year history. Join us in shining a light on the issue of child abuse—because **all children deserve safety, healing, and justice.**

The funds we raise will help to ensure child survivors in our community receive a coordinated, culturally competent, multidisciplinary team response to allegations of child abuse in our dedicated, child-friendly house. See back for sponsorship details.
